

Family Discipleship Ministry

Nehemiah 3:28-29

28 Beyond the Horse Gate the priests made repairs, each in front of his own house.

29 After them Zadok the son of Immer made repairs in front of his own house.

Calvary Fellowship is committed to building up and partnering with families to return the husband to the proper place of spiritual head of the household.

We believe that each Christian's family is their most important ministry. For over a hundred years our culture has pulled our families away from each other and broken down the church from the inside out. We are committed to equipping families specifically fathers (where possible) to be the primary Shepherd / discipler of the home.

When the spiritual father is absent we as the church must be prepared to take care of the widows and orphans.

All ministries within Calvary Fellowship should work to build up and unite the family unit. The church should never take the place of the main discipler of the home.

Some examples of family focused ministry are:

- Family Worship
- Family Prayer
- Family Bible Study
- Family based events such as family missions trips, daddy daughter dances, etc.
