# Genesis 1:9-13

- 9 Then God said, "Let the waters under the heavens be gathered together into one place, and let the dry *land* appear"; and it was so.
- 10 And God called the dry *land* Earth, and the gathering together of the waters He called Seas. And God saw that *it was good*.

11 Then God said, "Let the earth bring forth grass, the herb *that* yields seed, *and* the fruit tree *that* yields fruit according to its kind, whose seed *is* in itself, on the earth"; and it was so.

12 And the earth brought forth grass, the herb *that* yields seed according to its kind, and the tree *that* yields fruit, whose seed *is* in itself according to its kind. And God saw that *it was* good.

13 So the evening and the morning were the third day.

# Darwin wrote:

At some future period, not very distant as measured by centuries, the civilized races of man will almost certainly exterminate, and replace, the savage races throughout the world. At the same time the anthropomorphous apes ... will no doubt be exterminated. The break between man and his nearest allies will then be wider, for it will intervene between man in a more civilized state, as we may hope, even than the Caucasian, and some ape as low as a baboon, instead of as now between the Negro or Australian and the gorilla (Darwin 1887:156).

- **1 Corinthians 12:13**

For by one Spirit we were all baptized into one body—whether Jews or Greeks, whether slaves or free—and have all been made to drink into one Spirit.

- **Galatians 3:28**

There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus.

- **Colossians 3:11**

where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, slave nor free, but Christ is all and in all.

# Young Earth Evidence Of The Week

- Estimates for the c mass of meteoric material that falls on Earth each year range from 37,000-78,000 tons. Most of this mass would come from dust-sized particles.
- **There are no meteorites in the fossil record.**

# Genesis 1:9-10

9 Then God said, "Let the waters under the heavens be gathered together into **one place**, and let the dry *land* appear"; and it was so.

10 And God called the dry *land* Earth, and the gathering together of the waters He called Seas. And God saw that *it was good*.

# *echad* (one)

- 1) one (number)
- b) each, every

**Genesis 1:5** God called the light Day, and the darkness He called Night. So the evening and the morning were the first (*echad*) day.

# Psalms 104:5-9

- 5 *You who* laid the foundations of the earth,  
So *that* it should not be moved forever,  
You covered it with the deep as *with* a  
garment; The waters stood above the  
mountains.
- 7 At Your rebuke they fled; At the voice of  
Your thunder they hastened away.
- 8 They went up over the mountains; They  
went down into the valleys, To the place  
which You founded for them.
- 9 You have set a boundary that they may  
not pass over, That they may not return  
to cover the earth.

# (Not Millions of Years) Pangea

**Pangaea, Pangæa, or Pangea**

*pan* "entire", and *Gaia* "Earth", was the supercontinent that existed during the Paleozoic and Mesozoic eras about 250 million years ago, before the component continents were separated into their current configuration.

## Genesis 7:11

In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, on that day all the **fountains** of the great **deep** were broken up, and the windows of heaven were opened.

## Genesis 8:2

The **fountains** of the **deep** and the windows of heaven were also stopped, and the rain from heaven was restrained.

# Genesis 1:11

11 Then God said, "Let the earth bring forth grass, the herb *that* yields seed, *and* the fruit tree *that* yields fruit according to its **kind**, whose seed *is* in itself, on the earth"; and it was so.

**God Creates All Vegetation**

# How to Cross Pollinate Different Vegetables to Create Hybrids

While you generally can't cross-pollinate vegetables from different species, you can create a hybrid of vegetables from the same *botanical species*. The process is fairly simple. Many vegetables have male and female flowers. Male flowers can be cut off to pollinate female flowers. Here's how.

# Genetically Modified Food

- Potential human health impact: allergens, transfer of antibiotic resistance markers, unknown effects
- Potential environmental impact: unintended transfer of transgenes through cross-pollination, unknown effects on other organisms (e.g., soil microbes), and loss of flora and fauna biodiversity
- Domination of world food production by a few companies
- Increasing dependence on Industrialized nations by developing countries
- Bio-piracy – foreign exploitation of natural resources
- Violation of natural organisms' intrinsic values
- Tampering with nature by mixing genes among species

# Genesis 1:12

12 And the earth brought forth grass, the herb *that* yields seed according to its kind, and the tree *that* yields fruit, whose seed *is* in itself according to its kind. And God saw that *it was* good.
